

CS Scholarship Program

SPSmedical of Rochester, NY is proud to offer a CS scholarship program to promote Certification of sterile processing professionals. Each month SPSmedical will award three individuals an opportunity to work towards certification by providing all the study materials needed to prepare for the certification exam. Additional applications are available on line at www.spsmedical.com, by calling SPSmedical at 1-800-722-1529 or e-mail: education@spsmedical.com.

Applicants must be employed in the CS profession for a minimum of 6 months and should include a letter of recommendation from a Manager or an immediate Supervisor. The scholarship covers all educational materials required to complete an accredited certification program of the applicant's choice and exam cost. At this time, scholarship is only available to healthcare workers in the US and Canada.

Three (3) Central Service scholarships will be awarded each month from Applicants who fulfill the following requirements:

- ✓ A minimum of 6 months on the job in the Central Service / Sterile Processing area.
- ✓ Application and letter of recommendation from Supervisor or Manager.
